Passage Contract

Please review the Passage Contract carefully as it is binding and affects your legal rights. The Passage Contract is available on the Cruise Personalizer.

Document Requirements

Each passenger is responsible for providing Princess Cruises® with complete and accurate immigration information. The Passenger Immigration Form (PIF) should be completed online using Cruise Personalizer,® upon confirmation of your booking.

As you complete your immigration information, be sure to verify that your name appears exactly as shown on your passport or other proof of citizenship that you will be carrying with you to the cruise. If the name does not match, contact your travel agent to correct this information. If you booked directly with Princess, contact us at 1-800-PRINCESS (1-800-774-6237).

If you have purchased Princess eZAir or Flight Choice, please be sure to complete the Passenger Immigration Information form 60 days prior to your cruise. All others should complete this information no later than six days prior to your cruise. If you do not have online access, please contact your travel agent or call 1-800-PRINCESS.

Your failure to provide this information in advance will result in delayed check-in and, possibly, denied boarding.

Special note regarding cruises embarking in U.S. ports

U.S. law requires cruise lines to transmit their passenger manifests to the U.S. Department of Homeland Security no

later than 60 minutes prior to departure from the U.S. To comply, all passenger information must be processed at least 90 minutes prior to the scheduled sailing time. If you have not provided the required immigration information in advance, you should plan to arrive early to ensure you are checked-in no later than 90 minutes prior to the scheduled departure time or you will be denied boarding. Ensure that your travel plans permit adequate time for arrival to the ship.

Travel Documents*

The countries visited during your cruise have specific document requirements for cruise ship passengers.

These requirements include passport, visa and vaccination certificates where applicable. Requirements will vary based on the ports visited as well as on your citizenship.

Many countries require passports be valid for six months after the completion of your travel. Check your passport to verify it will be valid for this period of time. Please ensure the name on the passport matches the name on the booking. Additionally, make certain that your passport contains blank pages for entry and exit endorsements and any visas that may be required. If necessary, allow sufficient time to renew your passport and/or obtain additional pages. U.S. and Canadian citizens sailing on a domestic cruise should ensure passports or other travel documents are valid through the completion of travel.

Please note that it is your sole responsibility to obtain and have available the proper travel and health documents that are necessary for air travel, cruise check-in and disembarkation at the various ports of call and for re-entry into the appropriate country of origin. If you do not possess the proper documentation you will be denied boarding without any refund of the cruise or cruisetour fare.

U.S. and Canadian passport holders may contact Zierer Visa Service (ZVS) for assistance with expired passports, obtaining additional passport pages, and with visa requirements. For more information, visit ZVS at <http://www.zvs.com/home.aspx?login=75009> or call 866-788-1100 in the U.S. or 888-665-9956 in Canada.

Preparing for your cruise

U.S. AND CANADIAN CITIZENS AND PERMANENT RESIDENTS

Travel document requirements vary based on the cruise destination and whether international flights are required. Please review the section below to determine the requirements for your cruise. Cruise specific information may also be found in the Cruise Personalizer under “Notifications” in “Your Itinerary” section.

Passports are required for all international air travel

to and from the United States, regardless of age and citizenship. This includes air travel to and from Canada, Bermuda, the Caribbean, and Mexico.

Passports are required for all international cruises

including: Africa, Asia, Australia, Central & South America, Europe, India, New Zealand, South Pacific, Tahiti and World Cruises. Additionally, Caribbean and Panama Canal cruises that embark and/or disembark in non-U.S. ports will require passports.

Passports or Western Hemisphere Travel Initiative (WHTI) compliant documents are required for domestic cruises

including: Alaska, Bermuda, Canada, Caribbean, Hawaii, Mexico and Panama Canal. Neither oral nor written declarations of citizenship are accepted.

U.S. and Canadian citizens ages 16 and above traveling on domestic cruises may present one of the following valid WHTI-compliant documents:

- Passport Book, RECOMMENDED travel document
- U.S. Passport Card
- Enhanced Driver's License (EDL)
- * Enhanced Identification Card
- Enhanced NEXUS Card (Air travel is limited to participating airports.)
- SENTRI and FAST Cards

For information regarding WHTI-compliant documents, please visit www.getyouhome.gov.

U.S. and Canadian citizens ages 15 years and younger may present an original or copy of their birth certificate, a naturalization certificate or citizenship card in lieu of the above documents on Domestic sailings only.

U.S. citizens traveling on U.S. roundtrip or “closed-loop” voyages may also travel with an original certified birth certificate presented together with a valid government-issued photo identification.

These voyages include:

- Alaska roundtrip from San Francisco or Seattle (roundtrip Seattle cruisetours excluded)
- Canada/New England roundtrip from New York
- Caribbean roundtrip from Ft. Lauderdale, New York or San Juan
- Hawaii roundtrip from Los Angeles
- Mexico roundtrip from Los Angeles or San Francisco
- Panama Canal roundtrip from Ft. Lauderdale

Please be aware that even if your cruise does not require a passport to sail, in the event of an emergency should you be required to unexpectedly depart a vessel prior to the end of the cruise, a passport would be required to disembark the ship in a foreign country and re-enter the U.S. by air. We therefore strongly recommend that all passengers are in possession of a valid passport.

U.S. Permanent Residents are required to present a valid permanent resident document. See below for acceptable documents:

- Permanent Resident Card (ARC/I-55 card)
- Temporary ARC/I-55 card and valid government-issued photo identification
- Expired ARC/I-55 card and form I-797 and valid government-issued photo identification
- Passport with “ARC” stamp in the passport

Canadian Permanent Residents are required to provide a valid passport and valid Permanent Resident Card. Additionally, Permanent Residents must have a non-immigrant visa unless the permanent resident is a national of a country that participates in the Visa Waiver Program (VWP), and meets the VWP requirements.

Non-U.S. and non-Canadian citizens

Passports are required for all cruises, regardless of destination.

*This information is provided as general guidance. Because governmental travel requirements change periodically, you must check with your travel agent or the government authorities for all countries you will visit to determine or verify the actual requirements at the time of sailing. Vaccinations*

Information regarding required vaccinations for your cruise or cruisetour is listed on your Travel Summary (if applicable).

Vaccination requirements vary by destination and do change from time to time. Passengers should check with their travel agent or contact the United States Centers for Disease Control and Prevention (CDC) at www.cdc.gov/travel to verify current regulations. Some countries strictly enforce certain health requirements, in which case you may be required to present a completed and original vaccination certificate. Failure to present appropriate vaccination documentation at embarkation will result in passengers being denied boarding.

We recommend seasonal influenza vaccinations for all passengers. Furthermore, you are strongly urged to seek advice from your primary care physician or an approved public health advisory service to identify any specific vaccination or health precautions required for each port of call. For example, you may wish to reference the World Health Organization (WHO) (who.int/ith) or the United States Centers for Disease Control and Prevention (CDC) (cdc.gov/travel). Some countries strictly enforce certain health requirements, in which case you may be required to present a completed and original vaccination certificate. Failure to present appropriate vaccination documentation at embarkation will result in passengers being denied boarding.

*This information is provided as general guidance. Because governmental and medical vaccination requirements and recommendations change periodically, you must check with your travel agent, government authorities for the countries you will visit and/or medical professionals to determine or verify the actual requirements and recommendations at the time of sailing. Princess assumes no liability for the passenger's failure to do so.

Princess Medical Centers

Princess Cruises medical centers are staffed by full-time British registered doctors and nurses who are available 24 hours a day in case of an emergency. Our facilities are equipped to deal with both minor injuries and most major medical conditions.

All Princess Cruises onboard medical facilities meet or exceed the standards established by the American College of Emergency Physicians. Our medical centers proudly hold the distinction of being the only medical services in

the cruise industry line to have been awarded the Caspe HealthCare Knowledge Systems (CHKS) accreditation and ISO 9001:2008 certification for outstanding quality in health-care staff facilities and procedures. CHKS is a major UK-based organization that works with public and private health care providers worldwide

Health and Wellness

Norovirus is the most common cause of gastroenteritis in the developed world. The health and well-being of our passengers and crew is our highest priority. There are several measures which have been placed to prevent and contain illnesses on our ships that meet or exceed standards set by the U.S. Centers for Disease Control and Prevention.

The simplest way for you to stay healthy is to frequently and thoroughly wash your hands with soap and water, especially before eating and after using the toilet. You'll also find hand sanitizers located throughout the ship for your use after washing your hands. If you feel ill during your voyage, please immediately report to the medical center.

Pregnancy

Pregnant women are not allowed to sail if they are entering the 24th week of their pregnancy by the last day of the cruise.

All pregnant women, in their second trimester, are required to produce a physician's letter stating that mother and baby are in good health, fit to travel and the pregnancy is not high-risk. The letter must also include the estimated date of delivery (EDD) calculated from both Last Menstrual Period (LMP) and ultrasound (if performed).

We strongly recommend you review your health insurance coverage before cruising. Many policies, including Medicare, will not pay for services or hospitalization outside of the country or for emergency evacuation.

You may want to consider Princess Vacation Protection to protect your vacation investment — which is available for purchase up to the time of final payment of your cruise fare. If you did not secure Princess Vacation Protection, we recommend you obtain other travel protection.

Preparing for your cruise

Passengers with Special Needs

Princess makes every effort to accommodate our passengers with disabilities. You can help ensure a successful trip by working with us in advance.

Have your travel agent notify us of a mobility device, special needs, and/or service animal before your voyage. Notices and requests must be made in writing and faxed to the Princess Access Office at 661-284-4408 at least 30 days prior to sailing.

If you have questions about the program, please call the Princess Access office at 661-284-4521.

All Princess ships have wheelchair-accessible staterooms. We highly recommend you travel with a collapsible mobility device for easier access. You may bring your own, or you can pre-reserve a mobility device and have it and other medical equipment delivered to the ship by contacting Special Needs at Sea at 800-513-4515 (outside the US 954-585-0575) or by visiting specialneedsatsea.com. Alternatively, you can contact CareVacations at 877-478-7827 or cruiseshipassist.com. Some areas on some ships are not wheelchair accessible.

To ensure the safety of passengers and crew, all personal items including mobility devices (wheelchairs, scooters, walkers, etc) must be placed inside your stateroom when not in use. In order to enter a standard stateroom, your mobility device cannot exceed a width of 23". Any electrical plugs, extension cords or recharging devices must be provided by the passenger.

Passengers utilizing mobility devices with batteries are advised that the batteries must be a dry cell type, and must be stored and recharged in the stateroom. Because of staffing limitations, we recommend you be accompanied by someone who is physically able to assist you both onboard and onshore.

Travelers with disabilities should check in with the onboard Tour Office to ensure all shore excursions can accommodate them. Not all port facilities are accessible for those using mobility devices. Ports may be accessed by a variety of methods including a ramped gangway, a series of steps or by tender. In some cases, you may be able to access the tender, but the shoreside facility will not be accessible. Many ports of call use a mechanism known as a "stair climber" to assist passengers up and down the gangway. Passengers must transfer to a Princess wheelchair, which is

connected to the stair climber and operated by the ship's personnel. If you cannot transfer or your personal mobility device cannot be easily disembarked, you may be precluded from going ashore. With your safety and comfort in mind, the decision to permit or prohibit passengers from going ashore will be made on each occasion by the ship's Captain, and the decision will be final. Ports that normally use tenders to access the shore are noted on the itinerary.

The maximum weight of the wheelchair including the passenger cannot exceed 600 lbs. on transportation lifts. If you have purchased a Princess Transfer at the start or end of the cruise, be aware that lift-equipped transportation may not be available in your port of embarkation or disembarkation.

Entry regulations for service animals vary by port. Passengers are advised to consult authorities at each port prior to departure for more information. Princess does not have food onboard for animals. The choice of dog litter material is limited and varies by ship.

Princess ships are equipped with "All-in-One Kits" with TTY that can be used in most passenger staterooms and at Princess wilderness lodges. Most televisions onboard provide closed captioning and most onboard theaters have assisted listening devices. Electric outlets in most staterooms are limited to one and it is helpful to travel with an extension cord for electrical equipment. Princess also offers JAWS Professional software with a KOSS-TD/80 headset on one terminal in each Internet Café on every ship.

For any special accessibility requests, please put your request in writing and fax it to the Princess Access Office at 661-284-4408 at least 30 days prior to your travel. Or if you have questions about the program in general, please call the Princess Access Office at 661-284-4521.

Princess Cruises will consider allowing passengers to go onboard who are undergoing peritoneal dialysis, provided the following requirements are adhered to and approved by our Chief Medical Officer. Please fax the following information to Fleet Medical at: 661-753-0121.

Approval for sailing onboard will be granted on a case-by-case basis. In order to be eligible to sail, you will need to satisfy the following criteria:

- You must have been stable on a self-administered home dialysis program for a minimum period of 18 months.

Qsf qbsjoh!gps!zpvsl!dsvjt f

- You must travel with an assistant who is able to operate and troubleshoot your self-dialysis unit. This can be a family member and must be confirmed by the treating dialysis center as having successfully completed any necessary training.
- You must be able to procure and arrange delivery of all supplies needed for the duration of your trip. The company responsible for supplying the equipment should contact the Port Agent.
- You must have the permission of your treating Doctor, who must be fully aware of the itinerary you intend to under. take. You should discuss the need to bring a supply of appropriate antibiotics should you develop an infection, any such medications must be prescribed by your treating Doctor and you must carry them with you on your trip.
- You must obtain comprehensive travel insurance with medical coverage that is valid after the declaration of all pre-existing medical conditions.

And prior to sailing you will need to provide:

- A signed and dated letter confirming that you are fit to travel from your treating nephrologists dated no earlier than 30 days prior to the date of sailing.
- All the paperwork required for safe travel as outlined by the manufacturer and operating company of your self-dialysis unit.
- Results of your most recent blood work.
- Confirmation of insurance coverage.

We are unable to accept passengers who will need Hemodialysis services on the ship.

Age Requirements/Traveling with Children

Age requirements

Passengers under the age of 21 years must travel in a stateroom with a passenger 21 years or older who shall assume responsibility for their care during the cruise. For family groups booking multiple staterooms, the minimum age for each stateroom is 16 years of age, provided they are traveling with a parent or legal guardian. We are unable to accept group reservations for student or youth groups that do not conform to our minimum age requirements. Each passenger agrees and warrants that he/she will supervise any passenger in his/her care at all times to ensure all policies, along with all other rules of the Carrier and ship, are strictly adhered to by all passengers under their supervision.

Age requirements for children

Children over six (6) months of age at the date of sailing will be accepted on the following itineraries: Alaska, Canada & New England, Caribbean, Europe, Mexico and Panama Canal.

Only children over the age of one (1) year at the date of sailing will be accepted for the following itineraries: Africa, Antarctica, Asia, Australia and New Zealand, Indian subcontinent, South America, South Pacific, Hawaii, Tahiti and World Cruises.

Car seats

US and Canadian regulations require that children up to the age of 8 years old may be required to travel in a car seat, booster seat or other child restraint system. When being transported by car, taxi, limo, van or shuttle, it is your responsibility to know the regulations and provide the applicable child restraint system.

Pre-cruise

Before you leave

Documents for passengers under the age of 18

Many countries require special documentation for children traveling with only one parent or with neither parent; these requirements are subject to change without notice. It is your responsibility to ensure that you possess the proper documents for all of the countries that you will visit. Please verify requirements with the consulates of the countries visited prior to your cruise.

- Formal Wear Rentals

Now that you've done all the necessary planning before you go, we'll review the items you may need to make your time with Princess the best vacation ever! Visit the Cruise Personalizer and download the pre-cruise checklist to make sure you have all the important documentation you need before you depart on your Princess vacation!

Clothing Recommendations

You should dress for a cruise with Princess the same way you would for any stylish land-based resort.

Casual sportswear, including shorts, lightweight pants and jogging suits, is the order of the day both at sea and ashore in hotter climates.

We recommend you bring a sweater, a jacket or an all-weather coat for cool evenings, and for shore excursions, depending on your destination. Due to unpredictable weather, don't forget a hat or visor and a collapsible umbrella. Please be sure to bring proper clothing for visits to religious sites. You'll also want low-heeled, rubber-soled shoes for strolling on deck, as well as comfortable walking shoes or sandals to wear.

Princess makes it easy to know what to pack and what to wear when you're dining onboard our spectacular ships. There are two designations for dress codes: Smart Casual and Formal.

Smart Casual

Passenger attire should be in keeping with what they would wear to a nice restaurant at home.

- Skirts/dresses, slacks, and sweaters for ladies
- Pants and open-neck shirts for men

Inappropriate dinnerwear, such as pool or beach attire, shorts, ball caps and casual jeans (with fraying and/or holes) are not permitted in the dining rooms. Shoes must be worn.

Formal

When formal nights are held, please observe the dress code in the Traditional Dining and Anytime Dining venues for the enjoyment of all our passengers.

- Evening gown, cocktail dress, or elegant pant suit for women
- Tuxedo, dark suit or dinner jacket and slacks for men

Length of Cruise	Number of Formal Evenings	Number of Smart Casual Evenings
1-3 Days	None	All
4-6 Days	1	3-5
7-13 Days	2	5-11
14-20 Days	3	11-17
21-28 Days	4	17-24
29+ Days	5 minimum*	24+

*For full World Cruises, there are approximately 9 formal nights, of which 2 - 3 are scheduled per cruise segment.

Packing for Your Vacation

Follow these important luggage reminders:

- Essential medicines, travel documents, valuables and breakables should be hand carried in your possession at all times.
- Many airline carriers now impose excess baggage fees for one or more bags and overweight bags, so check with your carrier regarding luggage restrictions.
- Princess will make every effort to assist you in safeguarding your belongings. But remember, you are responsible for your possessions at all times. Princess is not responsible for money, jewelry, cameras, binoculars, documents or any other articles you retain in your personal control.
- All luggage should have a sturdy personal identification tag that will not be lost or damaged in the course of typical airport and trucked luggage handling.

- On journeys including air travel, luggage will be subject to a considerable amount of handling and we would recommend that your luggage be of sturdy construction.
- Princess recommends that your travel protection is adequate enough to cover any possible loss or damage which may occur. Any loss or damage caused by Princess or an airline must be reported immediately to the responsible party.

Valuables

We strongly recommend you hand-carry all valuables and breakables, including jewelry, electronics and cameras as well as any medications. Please read the Passage Contract for limitations and responsibilities for lost items and baggage.

En Route Delays

If you encounter unforeseen flight or weather-related delays on sailing day, we suggest you immediately advise an airline representative at the airport that you are a cruise passenger destined for sailing that day. Typically, airlines are able to arrange alternative flights at the airline counter for passengers to continue with their travel to the point of embarkation. It is the airline's responsibility to make alternate flight arrangements resulting from a delay or cancellation.

In the event costs are incurred, you are responsible for out of pocket expenses. If you have purchased travel protection, costs incurred as a result of trip delay are likely to be covered by Trip Delay protection. Please ensure to keep all receipts for submission and contact your travel plan administrator for assistance and clarification.

Pre-cruise

Travel and transportation

If your delay involves missing the ship in the port of embarkation, you must immediately contact the En Route Desk to confirm that you will be permitted to join the vessel at the next port of call. In certain instances, you will not be permitted to join the vessel at the next port if the late embarkation will result in a violation of the Passenger Vessel Services Act (PVSA), or if you do not have the proper documentation (such as a passport or visa) to continue travel.

Upon learning your new flight arrangements, we ask that you immediately contact Princess with your new flight information for our records. You may call us toll-free at 800-545-0008. This special number is operational only in the United States and Canada.

Outside of the United States and Canada you may reach us at 661-284-4410. Within Australia, use 13 24 88. Princess representatives are available to answer this en route line from Monday - Friday 5:30am-7:00pm Pacific Time
Saturday - Sunday 6:00am-5:00pm Pacific Time.

After hours support is available in the event of en route delays. These calls will be routed to our customer service centers in Australia or the United Kingdom, subject to the time of call. Our representatives will record your new flight information into your booking record.

If you have purchased Princess eZAir Program, we offer Next Port Protection to the next appropriate port of call should you miss your cruise embarkation due to an airline delay or service disruption. Contact the En Route Desk for assistance. Note that Next Port Protection covers air costs only and you are responsible for the cost of accommodations, meals and other incidentals. If you have purchased travel insurance, please keep your receipts and contact the plan administrator for possible reimbursement of these expenses.

If you have purchased Princess Vacation Protection and Princess eZAir and experience a delay reaching your cruise or land package, and you require assistance book-

ing accommodations and transfers, please contact On Call International toll-free at 866-509-7712, or from outside the U.S. or Canada call collect at 603-894-9386. Payment is required up front for these arrangements, but can be submitted to the plan administrator for reimbursement of eligible expenses after your trip. Once your new arrangements are confirmed, the representative at On Call International will contact the En Route Desk to provide us with the details.

Voyages offering Princess FlightChoice Air do not include Next Port Protection; however, if you have purchased Princess Vacation Protection, you may contact On Call International for assistance booking flights, accommodations and transfers at the numbers provided above.

If your checked baggage is delayed or misdirected by a common carrier, immediately report this to the carrier. Once you arrive onboard, report this delay to the Passenger Services Desk, providing the claim number and bag description.

As a courtesy, the onboard staff will assist in following up with the airline; however, any costs incurred in forwarding the luggage to the ship is at the passenger's expense. Passengers who have purchased travel protection should verify with their policy carrier regarding Baggage Protection, which may include baggage delay coverage. Please keep all receipts for submission and contact your travel plan administrator for assistance.

IMPORTANT: The En Route numbers provided above are for unforeseen delays. If you have any other questions, please contact your travel agent. Princess is not responsible for any airline delays.

Pre-cruise

Safety Ashore

Our primary concern at Princess is your safety and security. We are in continuous contact with authorities concerning any travel advisories that might impact our cruises.

If the U.S. State Department advises against travel to specific locations we visit, we will make the necessary changes to the published itinerary. Although such itinerary changes occur infrequently, please understand that these changes are for your own safety and security and are beyond our control.

We remind all of our passengers that they must ultimately assume responsibility for their actions while ashore. In this regard, we would like to remind you of some common sense precautions when visiting ports-of-call:

- Stay in the normal tourist areas and don't travel to out-of-the-way places without the benefit of a guided tour.
- Do not leave any of your belongings unattended in public areas.
- Be generally aware of people and activities around you.
- Do not accept packages from anyone you don't know personally.
- Keep a low profile—dress and behave conservatively.
- Be careful when eating and drinking ashore.

We thank you in advance for following these recommendations, which we believe will enhance the enjoyment of your cruise.

Onboard Atmosphere

Everyone at Princess is committed to ensuring you have a great time on your cruise. So, to preserve a relaxed and friendly atmosphere onboard, we ask that you observe a few guidelines.

- When formal nights are held, please observe the dress code in the Traditional Dining and Anytime Dining venues for the enjoyment of all our guests. For details regarding this, please see the section on Formal Wear.
- Smoking is not allowed in the dining rooms, any food service area, or in the show lounges and theaters. Smoking is permitted in staterooms, stateroom balconies, and designated areas. As a courtesy to your fellow passengers, please refrain from smoking pipes and cigars in all public rooms.
- Should you wish to videotape onboard during your cruise, please feel free to do so. However, videotaping the onboard entertainment performances is not allowed for copyright reasons.
- Inappropriate dress such as pool or beach attire, shorts, ball caps and casual jeans (with fraying and/or holes), is not permitted in the dining rooms.

Special Occasions

Princess makes your birthday, wedding, honeymoon, anniversary or renewal of vows even more memorable. When you're onboard a cruise with Princess, you're surrounded by warm, caring people dedicated to making each day a celebration. And for those times in your life that are special, we've created a collection of memorable Celebration experiences to help you savor those moments for years and years to come.

If you or your travel agent advise us of any occasions of particular importance at least 45 days prior to your departure, we'll set our "special occasion" staff in motion to spotlight your special event in the dining room or with our special packages and fabulous "extra mile" service.

Choose from a selection of our Celebration offerings, with extra touches like flowers, wine and champagne. To order a gift or to plan a special event, review our selections and complete the order form.

Alcohol Policy

We kindly request that you do not bring alcoholic beverages (other than wine or champagne) onboard for consumption.

Alcoholic beverages sourced from shore-side and brought onboard, no matter where sourced, will be collected at the gangway for safekeeping and will be delivered to the passenger's stateroom on the last day of the cruise. A member of the ship's security staff will be at the gangway to assist passengers with the storage of their alcoholic beverage purchases.

You are permitted to bring onboard one bottle of wine or champagne per person. Consumption of your wine or champagne is limited to your stateroom, traditional dining rooms and alternative restaurants, but not permitted in any public lounge. A \$15.00 per bottle corkage fee will be applied to your shipboard account for any personal wine or champagne consumed in a dining room or restaurant. We prefer that you bring bottles no larger than 750ml, however, magnums are acceptable. Wine in a box is not encouraged.

Please note that any wines and champagnes supplied from the ship's stock to passengers would not be subject to a corkage fee.

Onboard

Onboard experience

Alcohol Age Restrictions

The legal drinking age of 21 years* is always observed onboard and proof of age may be required. All onboard staff are trained to take their responsibility to not serve alcohol to underage passengers seriously. The age restrictions are clearly posted in the bars.

*For passengers on Dawn Princess and Sun Princess sailings to or from Australia, please note the age limit is 18 years of age and older.

Laundry Services

Take advantage of our onboard laundry and professional cleaning service for a nominal fee. All laundry is returned within 48 hours, or on the same day with our express service. We also offer self-service coin-operated launderettes.

Full suite passengers and Elite Captain's Circle members also enjoy complimentary laundry and professional cleaning services.

Charges for self-service launderettes, hours and laundry soap vary by ship and are subject to change without notice. Due to environmental regulations, the ship's water consumption is occasionally restricted and we must temporarily close our Laundromats. Notices will be posted at each laundry location when applicable. The following provides general prices and hours of operation:

Washing Machine:	\$1.00-1.75 per load
Dryer:	\$.50 - 1.50 per load
Detergent:	\$.50 - 1.00 per packet
Laundry Room Hours:	8am - 8pm

Please note that irons/ironing boards are available in the self-service laundry rooms. Ironing and using personal clothes steamers is NOT permitted in any stateroom.

Cashless Cruising

One of the best things about cruising with Princess is the convenience of being able to sign for all your expenses and have them charged to your stateroom.

When you check-in for your cruise, you'll receive a Cruise Card (a personal identification card). The Cruise Card is used to access your personal shipboard account to which all purchases are charged.

An itemized statement will be delivered to your stateroom prior to disembarkation. By providing your credit card in advance, you are automatically registered for Express Check-Out. There is no need to visit the Passenger Services/Purser's Desk to settle your account. We accept U.S., Canadian, British and Euro currencies, and traveler's checks. Express/Optima®, Diners Club/Carte Blanche®, Discover® Network, the JCB Card®, MasterCard® and Visa® are also accepted. Those paying by traveler's checks or cash will be required to leave a cash deposit with the Purser's staff at the beginning of the cruise.

Onboard Currency

Unless noted, onboard currency is in U.S. dollars. However, on Dawn Princess and Sun Princess itineraries, the onboard currency is in Australian dollars.

For your convenience, Currency Exchange Machines for the exchange of foreign currencies are available on vessels sailing out of European ports and on selected exotic itineraries. Automated Teller Machines (ATM) are also available on selected vessels. Use of such machines may involve transaction fees that are subject to change without notice. Please visit the Passenger Services/Purser's Desk for more information.

Shopping Onboard

Our boutiques onboard offer more than just accessories and sundries you may have left at home. Shop onboard and benefit from incredible tax-and duty-free savings off suggested U.S. retail prices on fragrances, cosmetics, jewelry and gifts, apparel and liquor.

In addition to our everyday savings, we bring you special promotions throughout the cruise. Once onboard, please check the Princess Patter calendar for times and locations of these exciting events.

Plus, Elite Captain's Circle members receive a 10% boutiques discount!

Onboard

Gratuities

During your cruise, you will meet staff throughout the ship who provide you with excellent service. Many more crew support those who serve you directly.

A discretionary Hotel and Dining charge of \$11 per person for mini-suites and suites, and \$10.50 per passenger in all other staterooms per day (including children) will be added to your shipboard account on a daily basis. This charge will be shared amongst those staff who help provide and support your cruise experience, including the waitstaff, stateroom stewards, buffet stewards, galley staff, laundry staff and others.

A 15% gratuity is added to bar charges and dining room wine accounts. This is shared amongst the beverage staff and their support staff, including cleaners and utility staff. We know you will find these services onboard exemplary.

Casino dealers and Lotus Spa® personnel do not share in the Hotel and Dining charge, as not all passengers utilize these services.

Stateroom Amenities

The little extras you find in the best hotels — fresh fruit (by request), evening bed turn-down, chocolates on your pillow, complimentary shampoo, conditioner and body lotion — are provided in every stateroom. Waffle weave cloth bathrobes are available upon request from your stateroom steward for your comfort and convenience.

For those of you who wish to enjoy a relaxing drink in the privacy of your stateroom, bottles of liquor and stateroom bar packages are available for purchase at non-duty-free prices through room service or from designated bar locations.

Mini-suites include a welcome glass of champagne, two televisions, a sitting area and a spacious closet, while full suites offer all of these premiums plus amenities such as a DVD/CD player and free access to a DVD library. Full suite passengers also enjoy complimentary web access in the Internet Café, laundry and professional cleaning services, use of the Lotus Spa® Thermal Suite (on select ships), one-time free mini-bar setup and use of our Disembarkation Lounge.

Each stateroom has other luxuries for your convenience, such as a private safe and refrigerator. In addition, each room is equipped with a 110-volt, 60-cycle alternating current (AC) with standard U.S. plug fittings. Please ask your stateroom steward to check your appliances for suitability before use if you have any questions. All ships are equipped with an electric hair dryer in every stateroom.

Television Programming

Getting away from it all doesn't mean being out of touch. Every stateroom on Princess ships has its own TV set featuring our multi-channel Princess Overseas Television programming.*

We offer live satellite reception of BBC World, Boomerang, Cartoon Network, CNN, CNN Español, CNN Headline News, ESPN, ESPN 2, TNT and Turner Classic Movies (TCM) where satellite coverage permits. Along with a movie channel featuring a wide selection of first-run movies, we also provide the latest sitcoms and dramas, an onboard version of the Discovery Channel, and a wide selection of special programming, including the Academy Awards®. Plus, for sports fans, we offer several major sporting events such as the Super Bowl®, BCS college bowl games, NBA Finals and the NCAA basketball tournament. Closed captioning is available on most Princess ships; please check with the Passenger Services/Purser's Desk for information.

All televisions in the cabins are equipped with the open captioning feature. All movies are open captioned. This feature does not work with most programs shown from an international (versus U.S.) satellite (ie: CNN, etc.). When the television receives a U.S. feed, the open captioning feature will work. Most onboard theaters are equipped with assistive listening devices.

* Ship television programming is not guaranteed at all times due to the nature of satellite communications, which are subject to itinerary and possible disruption from weather patterns and various obstructions. Also, Internet access via satellite is significantly slower than high-speed connections on shore.

Staying Healthy

The health and well-being of our passengers and crew is our highest priority. And there are several measures that meet or exceed standards set by the US Centers for Disease Control and Prevention which are currently in place to prevent and contain illnesses on our ships.

The simplest way for you to stay healthy is to frequently and thoroughly wash your hands with soap and water, especially before eating and after using the toilet. You'll also find hand sanitizers located throughout the ship for your use after washing your hands.

If you feel ill during your voyage, please immediately report to the medical center.

Onboard

Onboard experience

Medical Assistance

Our medical centers are primarily intended to provide acute care for illness and accidents that may occur while on vacation and are not intended to provide long term care for patients with chronic illnesses or as a substitute for regular health care.

Our intention is to:

- Provide quality maritime medical care for passengers and crew members aboard our ships.
- Initiate appropriate stabilization, diagnostic and therapeutic maneuvers for critically ill or medically unstable patients.
- Support, comfort and care for patients onboard.
- Facilitate the timely medical evacuation of patients, if appropriate.

All of our onboard medical facilities meet or exceed the standards established by the American College of Emergency Physicians. Our onboard medical facilities are staffed by full-time British registered doctors and nurses. In addition to twice-daily office hours, they are available 24 hours a day in the event of an emergency.

Charges for medical services will be added to your ship-board account, and you will be provided with an itemized account to submit to your insurance company. Important: Princess ships are registered in Bermuda. Verify with your insurer if your coverage applies outside the United States, or purchase appropriate travel insurance.

Religious Services

Inter-denominational services are conducted every Sunday by the ship's staff (Captain, Cruise Director, etc.). Princess places guest Catholic and Jewish clergy onboard for the following religious holidays. Catholic clergy will perform both Catholic and Protestant services when onboard.

- | | |
|-----------------|--------------|
| • Easter Sunday | • Passover |
| • Christmas | • Yom Kippur |

Anglican clergy will be placed on a single ship presently marketed to UK passengers. Princess does not place any other Protestant denomination on any other of its ships.

Please note that during Passover, there will be a Seder dinner held onboard. The Rabbi will determine when the Seder(s) will be held.

We want our vacations to be equally-wonderful for passengers of all ages — which is why we offer one of the best youth programs at sea.

Children and Teen Programs

Cruising with Princess is a complete escape for all ages. There's everything from arts and crafts, game tables, movies, and splash pools (on select cruise ships) to teen centers with ping-pong tables, juke boxes, and all the latest video games.

There's a play area and special outdoor deck exclusively for toddlers. And Remix is designed to give teens their own space — and the time of their lives. In addition, kids on the

Grand and Golden Princess will also enjoy their own deck space with a Whale's Tail splash pool, and teens have a separate hot tub and deck area just for them.

All Youth and Teen Centers are fully supervised by our staff of Youth Activities Coordinators.

Children are welcome on all Princess cruise ships, but facilities vary. Ocean Princess, Pacific Princess, and Royal Princess do not have dedicated Youth and Teen Centers. However, when 20 or more children ages 3 to 17 are traveling on these ships, they will enjoy a varied schedule of supervised activities organized by a Youth Activities Coordinator.

Princess Pelicans, ages 3 to 7, are entertained with non-stop activities:

As part of the Princess Youth and Teen program, junior cruisers will also participate in two special dinner evenings designed for each age group. Younger passengers will enjoy dinner without parents and in the company of newfound friends and counselors in one of their ship's many eateries. For teens, one of the two evenings will feature a formal get-together in one of the main dining rooms, complete with photographs and a group night out to enjoy many Princess evening offerings*.

Note: Age groups may differ on Caribbean Princess, Diamond Princess, Ocean Princess, Pacific Princess, Sapphire Princess, and Star Princess.

* The teen dinner may be held in a different location other than the main dining room.

Family Traveling

Anytime Dining is recommended for families who want to dine together, so children may fully participate in the evening youth activities (starting at 7 p.m.).

The dining alternatives onboard our ships allow parents the freedom to spend time with their children while they eat an early dinner at the pizzeria, in the 24-hour restaurant offering a special children's menu, in their stateroom with 24-hour room service, or in one of our many alternative dining locations. After taking their children to the supervised Youth and Teen Centers, parents can enjoy dining on their own in the elegant dining rooms.

Many shore excursions have been selected with family cruisers in mind. Discounted rates for children and "family-friendly" activities are available to make the most of your time in port.

Don't miss the orientation and registration meeting on the first night of your cruise. You and your children can meet the Youth and Teen staff and learn more about our exciting shipboard programs. Parents are always welcome to join their children in the Youth and Teen Centers.

Youth Center staff cannot administer medication, bottle-feed, change diapers, or provide meal service. Private in-cabin babysitting is not available on any Princess ship. All children participating in the Youth program must be potty-trained.

Parents/guardians are reminded to bring their children dressed in appropriate attire with towel and sunscreen. Youth staff will not conduct children's activities in the adult or splash pools. Parents must supervise their children at all times when using the pools. Our policy is strictly observed onboard and is intended for the public health and safety of all passengers.

Children with Special Needs

Princess welcomes all teens and children ages 3-17 to participate in our programs. Let our staff know of all medical and/or special needs for your children. We will make every effort to accommodate them. Please be advised that Princess Youth staff may not offer individual one-on-one supervision.

Dining with Princess is a celebration of the truest sense with dishes created from the freshest ingredients. Opt to fill your nights by catching a production show, dance the night away or visit our Vegas-style casino.

1st Day Dining

Shortly after we welcome you onboard your spectacular Princess ship, you're invited to relax and dine at the Horizon Court or in one of the ship's multiple dining rooms.

At the forefront of 24-hour dining, the Horizon Court offers a round-the-clock venue for buffet meals or snacks. In addition, the restaurant operates a late-night bistro with a set menu and sit-down service from 10 pm to 4 am. A primary feature of Princess ships, the top-of-the-ship restaurant features floor-to-ceiling windows with stunning sea views as a backdrop.

Or join us in one of our main dining rooms for lunch served up by a staff — from chefs to waiters — dedicated to making your dining experience something special.

Together, Princess' unique combination of gracious dining staff, fine continental cuisine and new friends make every meal onboard a memorable occasion.

Anytime Dining

Anytime Dining offers a flexible dining experience – just like a restaurant would – and gives you the freedom to dine with whomever you wish, at your convenience between 5:30 p.m. and 10 p.m. in elegant, upscale venues.

Traditional Dining

Traditional Dining is the classic cruise dining experience, with reserved early (5:15/5:30pm), first and second seating (6 p.m. or 8:15 p.m.), in the same dining room with the same waitstaff and table mates each evening. Please note that early seating is not available on all ships.

Should you need to change your dining preference, call your travel agent no later than three weeks before you sail. Requests for preferences and changes are considered on a first-come, first-served basis. It is not always possible to alter dining preferences or seating arrangements once they are reserved.

Once onboard and subject to availability, you may attempt to switch preferences with 24 hours notice to the Maitre D'. We will do our best to accommodate you.

Specialty Restaurants

Variety is the spice of life, especially when it comes to gourmet fare. That's why Princess offers several Specialty Dining options for you to choose from on every ship.

These distinctive restaurants provide intimate dining in an upscale atmosphere. Reservations are suggested at these popular venues. And because these restaurants at sea are truly a special treat, a cover charge will apply per person.

Bayou Café & Steakhouse

Experience the first New Orleans-style restaurant at sea, and enjoy fabulous Creole and Cajun traditional cuisine, such as jambalaya, etouffee and crawfish gumbo.

Crown Grill

Crown Grill entertains passengers with an open, theater-style kitchen where chefs custom-prepare seafood, steaks, chops, and more.

Sabatini's

Sabatini's serves up an authentic Italian dining experience in a remarkable eight-course meal. The stellar menu features both local seafood specialties and other regional favorites.

Sterling Steakhouse

Experience a more refined approach to the traditional steakhouse. Enjoy the best, most tender cuts of beef, such as New York steak and porterhouse, plus a prime-rib carving station.

Specialty restaurants vary on a ship basis.

Casual Dining Venues

When a casual mood calls, you have plenty of choices — even on formal nights. Whether it be one of our specialty restaurants, the 24-hour buffet at the Horizon Court, the pizzeria, burger & hot dog grill, or 24-hour room service, you're able to choose how you dine with us.

Special Dietary Requests

Princess is happy to meet your request for low-sodium, low-fat, low-sugar and vegetarian diets. Visit Cruise Personalizer® to indicate your dietary preferences.

In addition, kosher meals (frozen entrées only) and baby food are available upon advance written request. Any other special diet requests must be authorized in advance by the Princess corporate office.

You or your travel agent must advise Princess in writing at least four weeks before you sail of any special diet, allergies or medical needs. For cruises other than within Alaska, Canada/New England, Caribbean, Europe, Mexico, Trans-canal and Australia/New Zealand, including trans-pacific and transatlantic sailings, please advise us of any special dietary requirements at least two months prior to sailing. Once onboard, please check with the Maitre D' to confirm your request.

Room Service

Passengers may call for personal complimentary Room Service at any time of the day or night. To have continental breakfast delivered to the stateroom, fill out the breakfast card included in the stateroom portfolio (one is also placed on the pillow) and hang it out at night on the stateroom door in order to receive delivery the next morning at the time of your choosing. For a full stateroom menu, passengers may review the stateroom portfolio, call the number listed in the telephone directory or press the "Room Service" button on their phone.

Onboard Entertainment

Fill every day with a wide variety of exciting onboard activities from paddle tennis to painting lessons. Take a galley tour; enjoy wine tasting; experience our traditional Champagne Waterfall; or join in games by the pool. You can even take a backstage tour, or take center stage at our karaoke lounge. Ships filled with amenities, equal in luxury to the finest land based resorts — that's what makes Princess Cruises the ultimate vacation and a complete escape.

Or opt for an exciting array of stage shows, most of which are written, costumed and choreographed exclusively by Princess. Curtain times vary; check your onboard newsletter, the **Qsiodf t t !Qbuf s** for show times.

Don't forget to bring along your dancing shoes, because Princess has several dance venues and live entertainment to get you into the swing of things. We start early and finish late. Just check the **Qsiodf t t !Qbuf s** for the times and places to give your partner a whirl.

Every cruise also features a great selection of first-run feature films for your viewing pleasure. On select ships, passengers can also experience Movies Under the Stars™, our 300-square-foot outdoor movie screen and watch the latest films, sporting events and concert videos — all from a comfortable deck chair.

Passengers can also be stars. You can kick up your heels at our Country & Western Party — bring your cowboy boots and hats and join the line dancing. Or bring your tropical wear for our Island Night deck party on all warm weather sailings. There will be limbo contests, games and calypso music for "dancin' in the aisles." And don't be shy — audition for Princess Pop Star and share your vocal talents with the world.

Casino Games

Our casinos offer the most popular table games, including blackjack, roulette, Caribbean stud poker and craps. We also feature a full range of exciting slot and video poker machines, as well as regular Snowball Jackpot Bingo sessions held throughout the cruise.

Complimentary gaming lessons for slots and table games are held on each cruise, along with exciting tournaments. Please check the **Qsiodf t t !Qbuf s** for our daily special promotions and opening hours. Plus, if you want to surprise your friends with a lucky side bet, you can choose a \$25, \$50, or \$100 credit, redeemable in the shipboard casino.

Persons under the age of 21* are not permitted to gamble or remain in the casino. For those passengers interested in playing at our higher limit tables, please contact our Casino Department at 1-800-5CASINO (1-800-522-7466) for more details.
